SALFORD

Cherry Blossoms by Josie Webster

Swim by the Reef by Anthony Childs

*A unique visual arts
exhibition that will touch
your heart and mind.*

Heart & Sold brings you a new exciting exhibition, fresh from its American launch in NYC. With its longest run at the prestigious Salford Museum & Art Gallery, experience the latest collection from established and developing artists that happen to have Down syndrome.

With an eclectic mix of artwork from painting to photography to line drawing, witness how this condition can showcase unique perspectives and original insights.
